The learner who participates in above is more spontaneous and very excited when the instructor arrives.

Mutual respect

It is very disappointing when parents address staff disrespectful less than a human being. We have several incidents where parents shout, do not greet, use crude language in front of their children. Nothing can be so terrible to justify any parent to speak to a staff member in such disrespectful manner and we will no longer tolerate such behavior. We will give parents notice who cannot control their temper.

If you would like to speak to a tutor please make an appointment. The tutors are busy with your child giving support with homework and study work and phone calls between 14h00-17h00 does disrupt the learners who are busy with their work.

We as parents are supposed to be an example to our children.

Coin fundraising

Kindly keep all your small change and send to West Rand Study Centre by 7 November as we are raising funds to install the gas stove we bought last month.

Art Competition

We are planning an art competition for the 30 October 2017. Every child may enter R20 per art work. We are lucky to have the expertise of two judges who are active in the art world who will be judging the learner's art work.

We are currently upgrading the premises, classrooms and gardens, here are a few photos of our garden:

Our herb and veggie garden has just been started.

Gift Banda is our security guard, gardener and all rounder, he is friendly, hard working and loyal and an asset to West Rand Study Centre.

Holiday Fever

After a morning of creepy crawlies we decorated cupcakes, made our own bird seed ornaments and played interactive snakes and ladders.

Funny face herbs.

We had fun in the woods learning to become great marksmen.

Even the boys enjoyed tolletjiebrei

Us girls just want to chill

First our pro bikers hit the ramps and then we headed off for ice-cream.

All things slithery, scaly and furry were enjoyed by our children in this touch and learn experience.

After a morning of great fun cooling down was just the answer.
